

I.I.M.U.N.'s AI AND TECH TOUR 2.0

OUR AI & TECH TOUR 2.0 GAVE US A FIRSTHAND LOOK INTO THE RAPIDLY EVOLVING WORLD OF ARTIFICIAL INTELLIGENCE, TECHNOLOGY, AND INNOVATION. THROUGH INTERACTIONS WITH LEADERS FROM ORGANISATIONS LIKE SAP, GOOGLE CLOUD, IBM, RAZORPAY, PHONEPE, AND INDIAN INSTITUTE OF SCIENCE, WE EXPLORED HOW AI, DIGITAL TRANSFORMATION, CYBERSECURITY, FINTECH, AND RESEARCH ARE SHAPING INDUSTRIES GLOBALLY. CONVERSATIONS WITH CEOs, CTOS, AI HEADS, AND INDUSTRY EXPERTS HELPED US UNDERSTAND THE ROLE OF INNOVATION-DRIVEN LEADERSHIP IN BUILDING THE FUTURE OF TECHNOLOGY.

HIGHLIGHTS OF THE TOUR

Ms. Sindhu Gangadharan – SAP Labs

MD, SAP Labs India , Chairperson NASSCOM

Students gained an understanding of SAP's work culture and innovation ecosystem, while learning from Sindhu Gangadharan about how humility, bold decision-making, and authentic leadership play a key role in driving meaningful impact.

Udit G – Google Cloud

COO

Students explored the future of cloud computing, AI integration, and digital transformation through insights shared by Google Cloud COO Udit G., while understanding how technology is driving innovation at a global scale.

Kiran Arnady – IBM

AI Head

Students gained insights into the evolving world of artificial intelligence and enterprise innovation through an engaging session with IBM AI Head Kiran Arnady, learning how AI is transforming industries and shaping the future of technology.
