

I.I.M.U.N.'S

BANGALORE LEADERSHIP TOUR

The Bangalore Leadership Tour offered participants an inspiring journey into the core of India's innovation and enterprise ecosystem. Over the course of the tour, they engaged with leaders and innovators from pioneering organizations such as Angel One, Alstom, Ather, Applied Materials, Titan, Rapido, Nike, Zepto, Narayana Health, Acko, Cisco, Marvell Technologies, and IAMPL. From exploring breakthroughs in sustainable mobility at Alstom and Ather to understanding precision manufacturing at IAMPL and digital transformation at Cisco, every interaction provided a window into the strategies driving modern industries. The tour seamlessly connected classroom concepts with real-world business challenges, equipping participants with a deeper understanding of leadership, innovation, and the evolving dynamics of the corporate world. This immersive experience not only broadened their perspectives but also empowered them to think critically, lead effectively, and shape the future of global business.

SUDHA SANKARAN

ALSTOM GLOBAL FINANCE CENTRES -MANAGING DIRECTOR

Students discovered how sustainable engineering and visionary design drive global mobility, learning from Alstom's pursuit of smarter, greener transport solutions.

ANKIT RASTOGI

CPO AT ANGELONE

Through technology-driven innovation and customer empowerment, learners explored how Angel One is redefining the future of digital finance.

SANJEEV

COO AT ATHER

By examining Ather's pioneering approach to electric mobility, participants gained perspective on how design and technology can drive sustainable urban transport.

AVINASH AVULA

COUNTRY PRESIDENT AT APPLIED MATERIALS

Exploring the forefront of materials engineering revealed how Applied Materials powers the world's most advanced electronics innovations.

RISHIKESH SR

CO-FOUNDER AT RAPIDO

Students explored how agility and digital platforms are transforming urban commute solutions, gaining insights into Rapido's journey of redefining everyday travel.

ASHOK SONTHALIA

CFO AT TITAN

Learned how strategic vision and innovation shape the jewellery industry, gaining insights into Titan's journey of excellence.

VIREN SHETTY AND ASHISH BAJAJ

EXECUTIVE VICE CHAIRMAN AND CMO AT NARYANA HEALTH

By studying Narayana Health's mission, participants discovered how innovation and compassion can coexist to deliver accessible, world-class healthcare.

ATUL UJAGAR

FORMER COUNTRY HEAD AT NIKE

An exploration of Nike's global impact illustrated how creativity, performance, and branding fuel a culture of inspiration and excellence.

SUBRAMANIAM KUMAR

SENIOR DIRECTOR AT ZEPTO

Students examined how speed, technology, and efficiency are revolutionizing quick commerce, gaining insights into Zepto's mission to redefine instant delivery.

SATEESH KV

CPO AT ACKO

Acko's digital-first approach offered a glimpse into how technology and simplicity are revolutionizing the insurance experience.

DAISY CHITTAPALLY

COUNTRY HEAD AT CISCO

Learning from Cisco's evolution demonstrated how connectivity and digital transformation empower businesses and communities worldwide.

SEENIVASAN BALASUBRAMANIAN

CEO AT INTERNATIONAL AEROSPACE MANUFACTURING PVT. LTD.

A look into IAMPL's operations highlighted how precision, partnership, and technology shape excellence in aerospace manufacturing.

NAVIN BISHNOI

COUNTRY HEAD AT MARVELL TECHNOLOGIES

Exploration of Marvell Technologies showcased how semiconductor innovation is driving the connected future across industries.

PROF. SOURAV MUKHERJI

PROFESSOR AT IIM BANGALORE

Students explored how technology and innovation drive business transformation, gaining insights into IIM Bangalore's commitment to shaping future leaders.
