CFO, LENOVO INDIA - MEENAKSHI DAGAR

- **Unlimited Potential:** With a determined mindset, you can achieve success in any direction you choose.
- **Endurance over Quitting:** Embrace endurance, as quitting is the simplest choice, but persevering leads to true growth.
- **Mentorship Matters:** Seek mentors and their guidance to accelerate your journey toward success.

COO, SAP LABS - MOHAMMED ANZY

- **Passion Over Money:** Focus on your work with passion rather than chasing money and titles; success will follow.
- **Passion Makes Work Enjoyable:** When you love what you do, it doesn't feel like work; it becomes a fulfilling experience.
- **Team-Centric Leadership:** Effective leadership involves collaborative teamwork, with the team's success as the central goal.

ORACLE

GROUP VP, ORACLE - SRIKANTH DORANADULA

- **Mentor the Next Generation:** Cultivate a new generation of leaders within your team, ensuring they are ready to take the reins in your absence.
- **Success and Failure:** Remember that success is an ongoing journey, and failure is a chance to learn and grow. Neither is a final destination.
- **Attitude and Aptitude:** Both attitude and aptitude are vital; a positive mindset and the right skills can set you on the path to success.

CEO, BYJUS - ARJUN MOHAN

- **Inclusivity and Affordability:** A successful business model should be designed to reach and serve a wide audience, making it accessible and affordable to the masses.
- **Success and Learning:** In the realm of business and entrepreneurship, there is no such thing as failure; every outcome is either a success or a valuable learning experience.
- **Positive Environment:** Surround yourself with positive and supportive individuals on your entrepreneurial journey, and steer clear of negativity and demotivation.

COUNTRY HEAD, LINKEDIN INDIA - ASHUTOSH GUPTA

- **Continuous Learning:** Embrace learning as it opens doors to greater opportunities in business and life.
- **Learn from Failure:** Instead of dwelling on failure, use it as a chance to analyze your mistakes and avoid repeating them in the future.
- **Authenticity, Passion, and Enjoyment:** Approach your work with authenticity and passion, and remember to have fun along the way. These qualities can make your journey more fulfilling and successful.

RESEARCH HEAD - MR. VENKAT PADMANABHAN

- **Acknowledge Diversity:** Effective team leadership involves recognizing the unique qualities of each team member, valuing diversity, and leveraging individual strengths.
- **Collaboration and Innovation:** Collaboration with others fosters the exchange of ideas and fuels innovation. Encourage and engage in collaboration to open your mind to new possibilities.
- **Start with a Purpose:** When initiating a startup, focus on solving a meaningful problem. Assess the problem's significance as a crucial step before proceeding with the business.

HEAD OF RISK, CRED - KUNAL KASHYAP

- **Engaging Advertising:** Create advertising that fosters conversation and connects with your audience.
- **Problem Solving over Profits:** Instead of focusing on profit from the start, prioritize solving the problem your business addresses.
- **Building Trust:** More interactions lead to increased trust. Nurture interactions with your audience to build credibility.

GLOBAL CHRO, WIPRO - ROHIT GUPTA

- **Lead by Example:** Leadership is not just about a title; it's reflected in how you carry yourself and inspire others.
- **Add Value:** A deep understanding of your business and its nuances is crucial for making meaningful contributions.
- **HR's Role in Employee Performance:** HR plays a vital role in motivating and ensuring employee satisfaction, which directly impacts their performance.

11

FOUNDER & EXECUTIVE CHAIRPERSON BIOCON, MS. KIRAN MAZUMDAR SHAW

- **Find Your Purpose:** Instead of mere aspiration, discover your true purpose and dedicate yourself to it.
- **Embrace Humility:** Acknowledge that others have excelled in various ways, and use this humility to learn and grow.
- **Balance Positives and Negatives:** Success comes from not only focusing on the positives but also addressing the negatives, fostering well-rounded development.
