A photograph of the Boston skyline at sunset. The sky is a mix of blue and orange, with soft clouds. In the foreground, there are several multi-story buildings, some with warm, glowing windows. The most prominent building is a tall, dark skyscraper on the right, which is illuminated from within, creating a grid of light. To its left is a shorter, glass-clad building with a distinctive dome-like top. Other buildings of various heights and colors (red, brown, grey) are scattered across the middle ground. The overall mood is serene and urban.
